A CBSE workshop was organised at Lovely Public School, Priyadarshini Vihar on Balvatika and Jadui Pitara. The session focused on understanding the kit components and their practical classroom implementation aligned with the National Education Policy (NEP). It provided valuable insights into how these resources support NEP guidelines.

Dr. Subhash Garg, Head COE, commenced the event with a warm welcome to the resource people and participants from various CBSE schools. The occasion featured a mesmerising classical dance performance and a prayer, setting the positive and grateful tone.

Dr. Manisha Sharma highlighted the National Curriculum Framework's Foundational Stage (NCF-FS) under the New Education Policy for ages 3-6, emphasising education aims, curricula, competencies, learning outcomes, pedagogical principles, and strengthening Balvatika sections in schools for holistic development. In the second session, Prof. Suniti Sonwal gave a comprehensive view on 'Jadui Pitara', which is available in 22 languages. She highlighted that schools can create their own tools to meet the needs of Panchlosha Vikas, supporting comprehensive student development. Dr. Shweta Tiwari briefed attendees on e-Jadui Pitara, emphasising its easy accessibility for teachers, students, and parents. This digital tool supports educational engagement and resource availability, enhancing learning experiences for all involved. In the end, Ms. Nishi Jain along with Dr. Veena Mishra and Dr. Manisha Sharma demonstrated the contents of Jadui Pitara, presenting various activities that can be used in the classroom for children. These activities are designed to enhance learning and engagement among young students.
